

NOTICE OF PUBLIC HEARING ON ZESCO'S APPLICATION TO REVISE ELECTRICITY TARIFFS

ZESCO Limited recently applied to the Energy Regulation Board (ERB) to revise electricity tariffs by 50% and 25% in May and September 2017 respectively.

Subsequently, the ERB called for public comments on the proposed tariff adjustment in line with the Electricity Act Cap 433 of the laws of Zambia. A total of thirty six (36) submissions have been received from various parts of the country.

The ERB therefore wishes to inform energy consumers and stakeholders that the Public Hearing will be held on **Friday 5th May 2017** at Mulungushi International Conference Centre in Lusaka at **09:00 hours**.

Members of the public are welcome to attend. However, only those who made written submissions will be allowed to address the Board either in person or by their legal representative. ZESCO Management will also be on hand to respond to the submitters' comments at the public hearing.
